⇒ Please review times and start dates as they vary by class

## **Things to Remember About Pick-Up, Drop-Off! (PLEASE READ CAREFULLY):**

- **For Parents of Kindergarten Students:** After school instructors will be picking up your child at each of their classrooms at 3:40 and walking them to the assigned classroom for the after school activity. This is to help keep all of our little ones safe and make sure they get to the right place.
- **For Parents of Younger Students not in Kindergarten:** We don't have staff that can walk children to the room for after school programs. Please make arrangements to walk your child to the program on the first day (if necessary) or instruct your child that they need to walk themselves to their classroom. Their teacher will also help them get where they are going.
- **Before School Program Information:** Instructors will walk all students into the building if the program is outside or direct them to their classroom if the program is indoors. Kindergarten students will be walked to their classroom. All other grades will be expected to walk themselves to their classroom once inside the building.
- **For Students in the YMCA After School Programs:** Instructors will walk all YMCA participants to the designated YMCA play area at the end of the after school program. (Please note that depending on the size of the after school program and the staff that are provided, your child may be taken to the YMCA program after all other children have been picked up.) The YMCA does not have staff to come and get after school participants at their classrooms. Please note on your registration that your child needs to go to the YMCA after their program ends.

### **Additional General Information:**

- **Pick-Up Location:** Unless otherwise instructed- ALL STUDENTS WILL BE PICKED UP AT THE FRONT DOORS OF FOX. After school instructors will walk the classes to the front doors and check students out for pick-up. Please do not wander the building or grounds looking for your child, this slows the pick-up process for everyone.
- Make a plan with your child so they know what day they are to go to the program, who will pick them up at the front doors at the end of the program, and send a note to the teacher to remind them of the day your child will stay after school.
- It is each family's responsibility to make sure their child knows what day their program is on and what classroom to report to at 3:50. The week before the program is starting, you will be given the location of each class. Mrs. Jacobs will give a reminder on the afternoon announcements and each teacher will have a list of which students are participating in what programs and the rooms as well.
- Please keep in mind that the school office closes at 4:30 pm. At the end of each program the vendor will bring the students to the front doors for dismissal.
- These programs are provided by offsite contractors and coordinated through Fox PTA volunteers. Fox school staff are not involved with these programs and will not be able to answer program questions.
- The PTA is not able to issue refunds if students do not attend the programs for which they have registered.
- **A \$10 late fee will be charged for folks turning in registrations or payment after the deadline. A \$10 fee will also be charged for folks changing classes.** (Please note late registrations may not be accepted).

## Fox After School Programs

**Bricks 4 Kidz: Wheels in Motion with LEGO Bricks-** These wheels are ready to roll! Students will use LEGO® Bricks, axles, pulleys, gears, and motors to build a variety of models on wheels. Some are familiar vehicles, such as a fire engine and delivery truck. Others are more spectacular, such as the Rescue Robot and K-9 Bot. Do you have a need for speed? Put your Speed Bot model to the test as you race against others using remote controls! We'll explore concepts of speed and force, and gain non-vehicle knowledge from the unconventional *Wheels in Motion* models as well. Let's roll!

**Make Your Own Movie: Visual Storytelling through Stop Motion Animation: 21st Century**

**Fox School Studios presents... A Film by... YOU!** Using Stop-Motion to learn the fundamentals of movie-making, students will collaborate in teams and learn character-building and plotting (Writing), performance (Acting and Voice work), choosing the right lighting, locations, props and wardrobe for the story (Directing), as well as mastering the visual technology (Camera), put it all together into a final product (Editing) and all along the way, create S.M.A.R.T plans and execute them (Producing). Our motto is "Keep Calm, Keep It Focused and Keep It Moving!" The first few weeks, cover character and world building and "the Story Stair and Slide" (exposition, conflict and resolution), performance and drama, plot points, visual narrative language, camera-work and shot composition, how lighting works (Led finger lights in the dark!) and audio design (crazy voices and SFX!). We also do Movie Math to understand frame rates and time structure. In the remaining weeks, we put it all together into a final film. We'll be keeping it fun and active, watching fun movie clips, using Yoga and Mindfulness techniques to stay relaxed, and play dramatic games and do art-making activities to help bring our movies to life. **Requirements:** You love the magic of movies and storytelling, playing with toys, stories about dinosaurs, pirates, knights, fairies and/or animals, and you want to be a key part of a dynamic team that makes movies. If you have all these ingredients, then this class is for you! Roll up your sleeves and come join 21st Century Fox School Studios! **Learning goals:** Using a wide variety of Play Mobil toys and sets, art-making techniques, cameras and computers, this class will teach visual literacy and narrative film-making techniques. Participants will explore the technical requirements and conventions of visual storytelling and appreciate the fundamentals of how films get made, while also raising active awareness of how media constructs narrative realities around us. **(This class is open to both new students and students with previous experience with our class or elsewhere!)**
